To

The Secretary to His Highness
the Maharaja of Mysore.

Dear Sir,

I am in receipt of your telegram, and am deeply grateful for His Highness's gracious assurances. His Highness's message has appealed to me powerfully. I have seen the University authorities, here - the Vice-Chancellor and Sir Asutosh Mukerji, President, Post Graduate Council in Arts. They assure me that they would not object to my leaving Calcutta, as for climatic and other reasons a change is thought desirable in the interests of my health. Sir Nilratan Sicar, who is my medical adviser, has after anxious consideration reluctantly consented to my leaving Calcutta and changing my present associations, if I desire to do so. Sir Asutosh thinks that the Mysore authorities should write to the Vice-Chancellor here to spare my services.

Dr. Radhakumud Mukerji must have told you about my present circumstances which have made me hesitate in this matter. All my sons have been or are being educated abroad (in British Universities). In view of my present domestic situation, my eldest son has recently returned to India with his family to live with me. He gave up a good position as an Assistant Editor of legal publications on the staff of Butterworth & Co. and subsequently as a Tutor and Examiner in Psychology at a London Institute which had made him self-supporting, even in England; and he with his family will have to accompany me if I go to Mysore. He holds high honours (second class) at the Mental and Moral Science Tripos Examination of Cambridge (from

The Palace, Mysore,
11th July 1920.

Dear Dr. Seal,

I write to acknowledge with thanks your letter of the 4th July which you sent in reply to my telegram and to inform you that it was duly placed before His Highness. I have now much pleasure in communicating to you His Highness' wishes in the matter.

His Highness is delighted to learn that the Vice Chancellor and the President, Post-graduate Council will have no objection to your leaving Calcutta and that Mysore may now write to the Vice-Chancellor to spare your services. His Highness, however, hopes that there will be no future difficulty or misunderstanding on the subject as on the last occasion and that when the formal application goes, you will yourself be free to act and not be under any obligation to the University or the Government of India to fetter your liberty of action.

His Highness realizes the difficulties of your present position as explained in your letter and is quite anxious to make it as comfortable and easy for you as possible in Mysore and has therefore been pleased to offer you a salary of Rs.2,000/- per mensem with a free furnished house and conveyance allowance of Rs.100/-. He is sorry that it would not be possible to provide for your son in the University or in any other branch of the Mysore Service. In the first place, there is no suitable opening and even if there were, it would, in His Highness' opinion, be undesirable for obvious reasons, to synchronize your appointment as Vice-Chancellor in Mysore with the additional appointment of your son, to the Mysore Service. Secondly it is sure to evoke public criticism and will also weaken your own position and prestige. This decision, however, His Highness hopes,

32

will not in any way deter you from accepting the terms now communicated which may to some extent, compensate for the sacrifice which you may be called upon to make.

As the matter is very urgent, I am desired to request that you will very kindly let me have your final decision in the matter by wire on receipt of this letter.

Yours sincerely,

Dear Sir,

I am in receipt of your letter. In my last letter I was under the disagreeable necessity of broaching some delicate matters. I had demurred and hesitated all along, but if I was to go it was incumbent on me to acquaint His Highness with the difficulties of my situation and I did so unreservedly in a confidential communication stating that in spite of these very serious obstacles His Highness's gracious message had moved me powerfully, and that I would go, if, of course, the University authorities here would permit me - resting assured that His Highness would be graciously pleased to take such action as His Highness might think fit to relieve me of my embarrassments. There was no question of terms on my part in that letter, and, as a matter of fact, beyond placing my difficulties before His Highness (as I was bound to do), I did nothing I did not even mention what I have all along understood that the former conditions as to my tenure of Office for seven years with eligibility for re-appointment and as to vacations and leave, as well as the express provision that in case for any reason whatever my services should be terminated by the Mysore Government within the period of seven years I should be indemnified by an amount calculated at a certain specified rate for the remaining part of the period would be embodied in the terms of my appointment. I understand that these conditions and stipulations will stand. And I trust I shall not be considered unreasonable if I pray that the amount of this indemnification in the contingency (a very remote one) of the termination of my services by the Mysore Government during the period of seven years should be calculated at the rate of two-thirds of my

salary, that being the proportion (I speak from memory) underlying the arrangement proposed on the last occasion.

As you are aware, under the changed conditions of my service here, I cannot go without the Senate's permission. I have consulted the Hon'ble Sir Nilratan Sircar, the Vice-Chancellor. He is also my medical adviser, and he thinks that a change to the climate of Mysore (or Bangalore) is desirable for me. Also, the Hon'ble Sir Asuthosh Mukerji told me that he had consulted with Sir Nilratan, and that, under present circumstances, in view of the desirability of a change for me to a colder climate, he (Sir Asutosh) would not object if Mysore wrote to the Vice-Chancellor here to spare me. These are the views of the two chief authorities, but the matter will rest with the Syndicate and the Senate.

Sir Nilratan tells me that I must not move personally in the matter. The proper course would be for Mysore to write to the Vice-Chancellor here.

As a matter of fact there is a good opening, because on the last occasion the Syndicate wrote in their letter to the Mysore Government that they wanted to retain me in Calcutta for certain work connected with the coming University reconstruction. An important part of my work in that connection has been done, and what is more important, certain new considerations (including reasons of health) have arisen, which make a change desirable for me. In view of the vacancy that has occured (in the Mysore University), Mysore may write to the Vice-Chancellor here, and the l atter will consult his colleagues on the Syndicate. As the Vice-Chancellor happens to be my medical adviser, he will be able to make his recommendation (on the basis of my communications to him) without it being necessary for me to write in the first instance. Kindly

let me also have a communication at the same time that you write to the Vice-Chancellor so that I may take such action as may be necessary or desirable to expedite the matter.

With kindest regards,

Yours sincerely,

Sd/ BRAJENDRANATH SEAL.

Sir,

In inviting your kind reference to correspondence ending with letter No.G.154 dated the 29th Aug. 1919 to the Private Secretary to the Dewan and the D.O. reply No.219 dated 23rd Sept 1919 from that officer on the subject of the employment of Prof. Seal as Vice-Chancellor of the Mysore University, I am directed to state that a vacancy having again risen in that office by the death of Mr.H.V.Nanjundayya C.I.E., the Govt. of H.H. the Maharaja would be glad to confer that apptt. on Prof. Seal if the Calcutta University would be so good as to spare him and to ~~request the favour of your good offices to enable them to secure his services~~.

The Govt. of H.H. the Maharaja ~~have instituted enquiries for a suitable educationist both in India and abroad to fill the post of V.C. and they have not been able to find any one of the same standing and eminence as that~~ of Prof. Seal ~~for apptt. as V.C.~~ They would therefore be greatly obliged to the University of Calcutta if they would help them to overcome their present difficulty and to maintain the prestige of the Mysore University by according permission to Prof. Seal to accept the apptt. ~~of V.C.~~

As more than a year has pssed since the

Issued on 31st July 1920

Sd. by Mr. P.G. D'souza

previous request was made to permit Prof. Seal to accept the apptt. during which he may have been able to perform a greater part of the work assigned to him in connection with the proposals for the reconstruction of the Calcutta University for which his services were required, it is presumed that the situation has materially changed and the Calcutta University are in a better position to spare his services and give effect to their assurance that if by any possibility they could further the cause of University development in Mysore they would be glad to do so.

In case the University is willing to give him permission, the Govt. of H.H. the Maharaja are willing to sanction the apptt. on the following terms:-

(i) He will be appointed for a term of 7 years on a salary of Rs.2,000 p.m., a free furnished house and a conveyance allowance of Rs.100 per mensem.

(ii) In case his health does not permit him from completing the term and his services are terminated by Govt. before the expiry of the above period, he will be given a suitable bonus (2/3rds of his salary) to compensate him for the loss of pay for the rest of the period.

The Govt. of H.H. the Maharaja will be very grateful if the decision of the Syndicate and yourself is intimated to them at an early date as they have to decide upon other arrangements in case their request cannot be complied with.

Dear Sir Asutosh,

On the last occasion on which we approached the Calcutta University for permission to employ Prof. Seal as Vice-Chancellor of the Mysore University you may recollect that his services could not be spared as his help was wanted in connection with the remodelling of the University in view of the recommendations of the Calcutta University Commission. A vacancy having again risen in the office of Vice-Chancellor by the death of Mr. H.V.Nanjundayya, C.I.E., H.H. the Maharaja would be glad to confer that apptt. on Prof. Seal in case the Calcutta University are prepared to give him the necessary permission. The position has ~~fully~~ greatly altered since we last asked for his services. Nearly a year has elapsed since then which has given him sufficient time to develop his proposals.

His Highness has therefore asked me to enlist your good offices in the matter as you have shown much practical interest in the University and to state that he will greatly appreciate any help that you might be able to render in the matter.

SENATE HOUSE,
CALCUTTA.

The 4th September, 1920.

My Dear Sir,

I received your letter dated 31st July in due course. Shortly before that I had received a letter from the Private Secretary to His Highness. We are all deeply grieved to hear of the death of Mr Nanjundayya whom I met twice as Vice-Chancellor of your University. I have done my best to meet with the wishes of His Highness' Government as to Dr. Seal. Though the matter has not been altogether free from difficulty, I hope we shall be able to carry it through without much trouble. The only question is as to the exact date when Dr. Seal may be permitted to leave Calcutta. I understand that you wish to have him there in time for your next Convocation. I do not know the exact date when the Convocation takes place. Will you kindly let me know whether the date has been fixed and what is the latest date when Dr. Seal may be there so as to be of use at the Convocation. Let me assure you that whatever is practicable, will be done.

I hope you are keeping well.

With kind regards,

Yours sincerely,

D.O. letter No.C.66 dated Camp Gundlupet, 26th November 1920 from the Superintending Engineer, Western Circle, to the Deputy Chief Engineer of Mysore.

Your D.O. No.227 dated 24th November reached me here to-day. Everybody concerned has been doing his level best to complete Mr.Rollo's Bungalow except the contractor. The latter is exasperating beyond words. Had the heavy and continuous rain of the past 4 days not occurred, I believe the bungalow would have been ready for occupation by the 1st December, but it is now damp and the inside painting cannot be done till it dries. The work will be finished at the earliest possible date. I suggest that Dr.Seal be accommodated in Sir Sheshadri's Bungalo on arrival and until Mr.Rollo's present Bungalow is ready for him. These professors' Bungalows have caused more worry and trouble than any other work in Mysore. The contractors having tendered low and lost on the undertaking, are apathetic and appear to take little interest in the work. One would really think they were adopting an attitude of Passive Resistance or non-co-operation with the Department. The days have passed when we could compel contractors to carry out their obligations as they in turn are dictated to by labour.

I am wiring to Mr.Karve now on the subject and will return to Mysore on Sunday morning and see the building myself again.

Sir,

In continuation of my letter of the 24th ultimo, in which I requested the allowance of ten days' joining time with salary and travelling allowances, I have the honour to state that I resigned my post in the Calcutta University on the morning of the 1st instant that I require 3 or 4 days to wind up my affairs in Calcutta, and that (excluding 4 days for my journey) I cannot possibly join my duties in Mysore before the 15th instant. In view of similar considerations, there was (so far as I remember) an express stipulation for ten days' joining time in the terms of my proposed appointment last year, and I have also always understood that the necessary

From yesterday I have been drawing no pay from

I am not in a position to suffer the loss of a
